

## The Audi A1

Pricing and Specification Guide  
Valid from May 2010

# Personalising your Audi A1

This guide has been designed to help you tailor and price your Audi A1 quickly and logically. At the back, you will find information on CO2 emissions-based vehicle excise duty and the other services offered by Audi, including Servicing, Finance and Insurance. Alternatively, you can go to [audi.co.uk](http://audi.co.uk) and configure your Audi A1 online.

## Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

## The Audi A1: a big idea condensed

Sometimes it's the smallest things that contain the biggest ideas: the humble paper clip, the tungsten filament, the pocket army knife. The Audi A1 is no exception. This new compact car is a distillation of all the great technologies which came before it – many of which appear in the flagship A8.

Featuring TDI® and FSI® engines born and bred on the racetrack and cutting edge technologies such as Start-Stop and S tronic,® this is amongst our most efficient cars.

## Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO<sub>2</sub> and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A1.

### **TDI® and FSI®**

Inside the engine of the A1 you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and FSI®, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

### **Start-Stop**

In traffic, your car still uses fuel and releases CO<sub>2</sub>, even when it's stationary. The automatic Start-Stop function is a smart new technology that counteracts this problem by being able to switch off the engine when your A1 comes to a standstill. As soon as you touch the clutch (or brake pedal on S tronic® models), the car restarts. By only using the engine when it's needed, it helps to save fuel and reduce emissions – especially in heavy urban traffic.

### **Recuperation**

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A1, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

## Engines

### Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI®, with turbocharging – giving cars an extra injection of power.

### Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

## Transmission

### **S tronic®**

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power. S tronic® is available on 1.4 TFSI models.

# Technology

## Concert radio

A technologically advanced car needs a sound system to match – one designed to enhance the thrilling experience of every drive. The standard Concert radio incorporates an MP3-compatible CD player, AUX-IN socket, SD memory card reader and a 6.5-inch retractable display. Six high-performance speakers complete with two ‘tweeters’ work together to produce a sound to enliven any journey. With all this music at your fingertips, being stuck in traffic may become your favourite activity; but we’ve included an automatic traffic update programme (TP memo) anyway – just in case.

## Satellite Navigation system – HDD-based

The Audi A1 keeps many of its most impressive technologies concealed beneath sculptured bodywork and interior finishing. The optional Satellite Navigation system – HDD-based, for example, gives you intuitive control of your car’s communication, information, navigation and entertainment functions. The MMI eight-way joystick lets you navigate maps quickly and easily in both 2D and 3D, while you can also use the Audi Music Interface to connect your iPod or the Bluetooth interface to stream music wirelessly from your mobile phone. There’s plenty of room to store your favourites too, with a sizeable 20-gigabyte hard drive. For more information, please see page 36.

## BOSE® premium sound system

The A1’s exterior is a perfect example of modern design. This is complemented inside, where you’ll find state-of-the-art technology throughout the cabin. Options include a BOSE® premium sound system which includes 14 high performance speakers and a sub-woofer. The speaker housings are enhanced with bevelled edges and the door speakers are illuminated. Thanks to a 10-channel amplifier, the speakers deliver 465 Watts of rich and clear sound, creating a rewarding listening experience – whatever kind of music you’re listening to. For more information, please see page 38.

## LED technology

With Xenon headlights available as an option on S line, the LED daytime running lights provide a distinctive look with a unique, flowing design. Special reflectors focus the light emitted by each diode to create a powerful, uniform beam. And this technology extends to the rear lights, creating a striking design that is unmistakably Audi. For more information, please see page 41.

# SE model equipment

All A1 models have  
the following items of  
standard equipment

## Engine

Automatic Start-Stop function for greater fuel  
and CO<sub>2</sub> efficiency. Comprising;

- Recuperation for optimal energy utilisation
- Energy saving tips feature in Driver's  
Information System: including gearshift  
indicator (if Driver's Information System  
is fitted)

## Wheels, tyres and suspension

15" x 6.5J '7-arm' design alloy wheels with  
205/55 R15 tyres  
Locking wheel bolts  
Tyre repair kit

## Audio and communication

6.5" display screen – manually retractable  
AUX-IN socket  
Concert radio/single CD player with MP3 file  
compatibility, 6 speakers in front and rear  
and 2 tweeters  
SD card reader

## Seats

Driver and front passenger seats with manual  
height adjustment  
Easy-entry front seats  
Split folding rear seats  
'Zeitgeist' cloth upholstery

## Safety and security

Driver, front passenger, front side and head  
airbag system  
Front passenger airbag deactivation switch  
ISOFIX child seat preparation for front  
passenger and rear seats  
Electronic Stability Program (ESP), including  
ABS, EBD, ASR and EDL  
First aid kit  
Halogen headlights  
Rear fog light  
Rear head restraints (adjustable)  
Seat belts – 3-point on all seats  
Seat belt reminder for all seats  
Thatcham Category 1 alarm and immobiliser

Remote central locking with 2 foldaway keys  
Tool kit and car jack  
Warning triangle

## Exterior equipment

Body-coloured door mirrors with  
integrated indicators  
Electrically operated door mirrors

## Interior equipment

3-spoke Sports steering wheel  
Steering wheel adjustable for height  
and reach  
Air vent sleeves in matt black  
Electric front windows  
Heat-insulating glass windscreen and  
side windows  
Front floor mats  
Heated rear windscreen  
Manual air conditioning  
Non-smoking package  
Washer fluid level indicator

15" x 6.5J '7-arm' design alloy wheels

Manual gear lever

Body-coloured door mirrors with  
integrated indicators

Air vent sleeves in matt black

# Sport model equipment

In addition to SE model equipment

**Basic RRP**  
£1,531.91

**Total RRP inc VAT**  
£1,800.00

## Wheels, tyres and suspension

16" x 7J '10-spoke' design alloy wheels with 215/45 R16 tyres  
Sports suspension

## Audio and communication

Mobile phone preparation – Bluetooth interface  
Voice control

## Seats

Front Sports seats  
Manually adjustable lumbar support in front seats  
'Tornado' cloth upholstery

## Exterior equipment

Front fog lights  
Polished tailpipe(s)

## Interior equipment

3-spoke leather Sports multi-function steering wheel with aluminium inlay  
Driver's Information System  
Air vent sleeves in high gloss black  
Aluminium trim for control switches, glove compartment, door handles and door sills  
Leather handbrake grip and Sports gear knob with aluminium trim  
Contrasting colour panels on doors, door armrest and centre console (see page 25)

16" x 7J '10-spoke' design alloy wheels

Front fog lights

3-spoke leather Sports multi-function steering wheel

Air vent sleeves in high gloss black

# S line model equipment

## In addition to Sport model equipment

**Basic RRP**  
£1,289.36

**Total RRP inc VAT**  
£1,515.00

### Wheels, tyres and suspension

17" x 7.5J 'S-twin-spoke' design alloy wheels with 215/40 R17 tyres  
S line Sports suspension

### Seats

Black 'Sprint' cloth/leather upholstery with embossed S line logo in front seats

### Exterior equipment

S line badges on front wings  
S line body styling, comprising radiator grille in high gloss black, front sports bumper, side skirts and rear bumper with diffuser  
S line roof spoiler

### Interior equipment

3-spoke leather Sports multi-function steering wheel with aluminium inlay, S line badging and perforated leather trim  
Black cloth headlining  
Door sills with aluminium inlays and S line lettering  
Floor mats  
LED interior light package. Includes illuminated door handles, footwell lighting, active door reflectors, illuminated vanity mirrors, illuminated glovebox, front reading lights and ambient lighting of the centre console

Door sills with aluminium inlays and S line lettering

17" x 7.5J 'S-twin-spoke' design alloy wheels

# Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A1, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi. To find out more, just visit your local Audi Centre.

## Warranty

All of the accessories available on the A1 are covered by a three-year warranty\* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.\*

Sport and design

Transport and touring

Entertainment and communication

Family

Transport and touring

Safety and security

\*Excluding Road Angel products.

Audi Accessories warranty terms and conditions can be found at [audi.co.uk](http://audi.co.uk)

# A1

## technical data

Preliminary technical data is shown here as a guide and is subject to change.

\*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit [www.thatcham.org/abigrouprating](http://www.thatcham.org/abigrouprating) for details.

**Please note:** The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

<sup>1</sup>The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

<sup>2</sup>Top speed is achieved in top gear.

<sup>3</sup>The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

<sup>4</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

<sup>5</sup>The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Engine	Petrol			Diesel
	1.2 TFSI	1.4 TFSI	1.4 TFSI	1.6 TDI

# A1 dimensions

The technical drawings opposite show the exact dimensions of the A1, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions were measured with vehicle at unladen weight.

Turning circle approx 10.7m.

Dimensions in millimetres.

\*Maximum headroom.

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

#### Petrol and Diesel engines

A - up to 100g/km	£0.00
B - 101 to 110g/km	£0.00
C - 111 to 120g/km	£0.00
D - 121 to 130g/km	£0.00
E - 131 to 140g/km	£110.00
F - 141 to 150g/km	£125.00
G - 151 to 165g/km	£155.00
H - 166 to 175g/km	£250.00
I - 176 to 185g/km	£300.00
J - 186 to 200g/km	£425.00
K - 201 to 225g/km	£550.00
L - 226 to 255g/km	£750.00
M - over 255g/km	£950.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time

and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

#### Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving
	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

#### Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

# Additional information

## Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

## Audi Promise

### Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm

Saturday 9am–5pm

Service: Monday to Friday 8am–6pm

Saturday 8.30am–1pm

Sunday opening is at local discretion.

### New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

### The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

### Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment\* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.\* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

### Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.\*\* We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

### We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

### The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

### Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

\*Subject to availability.

\*\*Excludes wear and tear.

# Pricing information

## Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£473.62
Number plate	£20.00
VAT	£86.38
Total	£580.00

## Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions, please visit [audi.co.uk](http://audi.co.uk)

## Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year

- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a four-year or five-year Audi warranty. Speak to a member of the sales team for more information.

## Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

## Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

## Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary seven day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am - 9pm, and Saturday 9am - 5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.
